Baile de las Bottellas (Bottle Dance)

El Baile de las Bottellas is one of many typical folkloric dances performed by Mestizo groups in Belize. In this dance, dancers balance a bottle filled with liquid on their heads. Other dances include: El Baile de la Cabeza del Cochino (Hog Head Dance), El Torito (the Little Bull), La Cinta (the Maypole), among others.

Instructions: Colour the dancers and the scene below. Draw a bottle on the head of the dancer whose bottle is missing.
