Sawdust Tapestry During Semana Santa

Semana Santa (Holy Week) commemorates the passion, death and resurrection of Jesus Christ. It is marked by church services, processions and other solemn activities across Belize. In Benque Viejo, Good Friday morning features the live Passion Play with actors dramatizing Christ's trial, tribulation and crucifixion. Residents and visitors create sawdust tapestries on the streets as a sign of gratitude.

Instructions: Colour the sawdust tapestry designed here. Be creative; use as many colours as you'd like. Draw your own design in the empty box to complete the overall tapestry.
